In case of your dog/bitch needing to go to the veterinary the kennels will use your own vet if possible and not too far away. otherwise we will use our own vet which is Elizabeth Smith. the cost of any veterinary treatment will be added onto your final bill at the end of your pet's stay with us and you will receive a receipt from the vet and a letter telling you what was done and why.

This is to give my permission that I _____ am happy for Thrift End Farm canine & Pet Centre to take my pet to the veterinary for any medical reason whilst I am away.

Does your dog(s)/bitch(es) have any problems we need to know about before they come into the kennels i.e. bite, snap, nervousness, show aggression towards other dog(s)?
